## **Rosamond Parkway in Anna opens for access**

ANNA, Texas (Feb. 27, 2023) – The City of Anna is excited to announce Rosamond Parkway to U.S. 75 is now open. The roadway serves as a critical East/West connection between U.S. 75 and S.H. 5 in northern Anna. Additionally, it provides a direct connection to Anna High School, improves traffic circulation at the high school and middle school, and will help relieve congestion at F.M. 455.

"Rosamond Parkway opens a new chapter of opportunity for future development in northern Anna," said Mayor Nate Pike. "I can't wait to see what the future holds."

The city had a Public-private partnership through a subdivision improvement agreement with DR Horton, which provided \$8,459,774.38 in funding for the construction of Rosamond Parkway to U.S. 75, major water system improvements, and a trunk sewer line serving north central Anna.

"Private-Public partnerships like this help provide essential infrastructure for the city without additional burden on our neighbors' taxes—a goal we always strive to achieve," said Greg Peters, Interim Assistant City Manager.
