Re: Police Department Promotions

On March 22, 2023, the police department held a promotional board for the vacant Patrol Sergeant position. As a result of the process, Kent Stoy will be promoted to the rank of Sergeant.

There is still an active eligibility list in place for the rank of Corporal. Johnathon McInnis will be promoted to Corporal in order to fill the vacancy being created by this process. With this promotion, the eligibility list for Corporal has now been exhausted.

The promotions will become effective on April 3, 2023. A promotional ceremony will be held at the police department at a date to be determined.
