

Memorandum

Memorandum No: 23-152

Date: August 17, 2023
To: Honorable Mayor and City Council
From: Ryan Henderson, Interim City Manager
Re: Excellence in Code Enforcement Award

This week, the City of Anna's Community Enhancement and Compliance (CEC) Division was presented with the award for Excellence in Code Enforcement from the Building Officials Association of Texas (B.O.A.T.). The award recognizes a municipality or organization that promotes, enhances, and/or takes steps necessary to provide world class service delivery through certification, education, and quality inspection processes.

This division of the City Manager's Office is comprised of community enhancement and engagement, code compliance, and health and environmental services. The division's primary focus is on the continued escalation of community compliance efforts while simultaneously engaging homeowners' associations, community organizations, non-profits, and our neighbors to help in the city-wide efforts of creating opportunities for collaboration, beautification, and enhancement through volunteer-based programming.

The award acknowledges the CEC's innovative programs that go beyond the call of duty, such as lawn care lunch-n-learns, the Community Built Here trailer, community service projects, social media campaigns on common code violations, and the We Notice! Property of the Month recognitions. These programs, in addition to the day-to-day responsibilities of the CEC staff, help make Anna a more vibrant, safe, neighborly, and excellent community to live in.

I would like to acknowledge Kevin Martin, Anjanette Osborne, Mike Wherland, Anne Quinonez, and Olivia Demings for their contributions to the City of Anna and their pursuit of excellence.

c: Kevin Martin, Community Enhancement and Compliance Manager
Taylor Lough, Assistant City Manager
Greg Peters, Interim Assistant City Manager
Clark McCoy, City Attorney
Carrie Land, City Secretary
Management Team
