

City of Anna Staff's Weekly Highlights

June 7 – June 11

The Mission of the Anna City Government is to provide exceptional city services and facilities in a financially responsible and neighbor-focused way through a high performing, professional city team that provides results in adding value to neighbors' lives.

Growing the Anna Economy

- Nathaniel Johnson, Economic Development's new intern, began work this past week. He is finishing up his MPA at University of Texas – Arlington.
- Economic Development staff met with three development groups interested in Anna.
- Economic Development executed an agreement with Swimming Duck to provide digital media services.
- Economic Development Manager Taylor Lough served on a panel at the Texas City Manager's Association (TCMA) in Round Rock.

Sustainable Anna Community Through Planned Managed Growth

- This week (June 4 – 10) the City received 14 new single-family residential permits. The current monthly total is 29 new single-family permit submittals, and the current FY is 885.

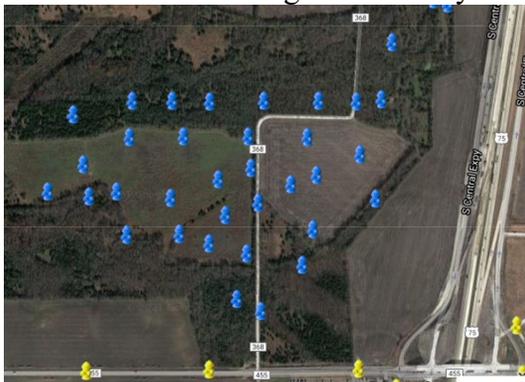

Anna – A Great Place to Live

- The City hosted the 3rd Annual State of the City on Thursday, June 10, where Mayor Nate Pike addressed Anna neighbors via Telephone Town Hall.
- Parks crews installed new valves and a recirculating pump at the Slayter Creek Park Splash Pad. The Splash Pad was closed on Thursday and Friday of last week, but reopened on Saturday, June 12.
- The Parks Superintendent finished the electrical and water lines for the restrooms/pavilion at Johnson Park. The contractors will now begin installing 1,325 ft of sidewalk at Johnson Park.
- The Neighborhood Services Coordinator finalized the online Volunteer Application with Better Impact and the background check services with BIB.
- Some social media stats from the last 7 days include a 52% increase in page views, a 55% increase in in page likes, and a 155% increase in post engagement. The last rolling 30 day statistics include a 15% increase in page views, a 27% increase in page likes, and a 34% increase in post engagement. The most popular post was the announcement of the Boots and Booms Celebration with 8.3k views.
- The Block Party Trailer had its first official outing in the Pecan Grove subdivision this past week. A reservation for the trailer, for the upcoming holiday weekend, was approved.
- Code Compliance responded to 29 new cases including nine cases of high grass, four junk/debris, two PODS, two roll-off containers, one domestic fowl, and three parking on unimproved surfaces. Additionally, four Health permits were issued and four complaints were investigated but were not deemed a violation in our code of

ordinances. There were 40 re-inspections and 33 were found to be back in compliance. Two bandits signs were removed and one citation was issued.

High Performing, Professional City

- Patrol officers responded to 254 calls for service and conducted 44 traffic stops. They made one felony arrest and four misdemeanor arrests. Officers responded to five minor accidents and two majors.
- The Criminal Investigations Division filed five misdemeanor cases and four felony cases with the Collin County DA's Office. Detectives also submitted three cases to the Collin County Grand Jury for consideration.
- The Fire Operations Division responded to 83 calls for service from May 29 - June 11. Sixty-seven percent of the calls were of an EMS nature and 33% were fire/other related calls. During this time frame, the department provided 10 mutual aid responses and received three. Twenty-seven percent of the calls were overlapping.
- Chief Isom, Chief Wood, and Battalion Chief Nelson attended the City Council meeting on Tuesday, June 8. The City Council approved the Resolution for the purchase of a Fire Ladder Truck from Siddons-Martin Emergency Group.
- Fire Prevention Captain Dockray completed eight fire inspections, six plan reviews, attended the DRC meeting on Wednesday, June 9, and the Municipal Complex construction meeting on Thursday, June 10.
- Below are hydrants that were pinged for GPS coordinates. The crew from A-Shift flow-tested these hydrants and uploaded data into our ***Emergency Reporting*** software. These hydrants were all reported operable. There were 36 hydrants in Hurricane Village and six in Avery Pointe Phase VI during this set of hydrant preparedness reporting.
