Anna – A Great Place to Live

- On Tuesday, July 20, recreation staff hosted the 3rd Tuesday – Chair Volleyball Day. The seniors that participated in the event chose not to play Chair Volleyball but instead taught the recreation staff member how to crochet. Recreation staff is working with the seniors who are interested in attending to plan a different variety of senior programs for fall.
- On Wednesday, July 21, recreation staff hosted Senior Wednesday Walk and Talk. Staff participated in the weekly activity and walked around Natural Springs Park for approximately 30 minutes.
- Recreation staff has added an additional August Archery session to keep the momentum going for the students that have chosen to participate.
- Recreation staff is working on planning fall activities and classes as well as preparing for the Fall Harvest Fest. Staff is reviewing bids and working on vendor applications.
- Recreation staff created an August social media advertising timeline to be shared with the communications manager.
- Parks crew mowed all parks, city facilities, medians, and ROW this past week.
- The Park Superintendent finished all paperwork to install a new eight-foot cedar fence at Sherley Heritage Park.
- The bar ditch at Johnson Park has been completed to get water to flow in the right direction and away from neighbors' properties and the parking lot. Parks staff finished all paperwork to commence construction of the parking lot.

High Performing, Professional City

- During this past week, patrol officers responded to 235 calls for service and conducted 77 traffic stops. Patrol responded to four major accidents and one minor. Officers made six misdemeanor arrests and four felony arrests.
- The Criminal Investigations Division filed two misdemeanor cases with the Collin County District Attorney's Office and continued work on multiple open criminal investigations.
- The Fire Operations Division responded to 64 calls for service from July 10 - July 23. The Department gave four mutual aid responses and received one mutual aid response.
- On Friday, July 23, A-Shift pinged and flow tested seven new hydrants in Camden Parc, Phase 3. These hydrants were all reported operable.
- Fire Prevention Captain Dockray completed 15 fire inspections and three plan reviews and attended the Municipal Complex construction meeting.

- Elden Baker, with the Anna Historical Society approached the Anna Fire Department about setting up a display at the Anna Depot Museum. Fire Services Coordinator, Stephanie Welch, gathered some antique fire- service items and assembled a display along with a picture board.
- The City was informed by the Texas Comptroller’s Office that our updated transparency webpages for Traditional Finance, Pensions and Debt Obligations have been approved.
- Accounting staff spent the week getting the new Incode financial software ready for “Go Live.”
- Finance staff submitted the documentation for its allocation of the American Recovery Plan, \$3.7 million.
- IT continues to work with Linda Barnes to determine the cost savings for the City with our ATT and Verizon services.
- IT implemented users accounts for new ERP system.
