Anna – A Great Place to Live

- On Tuesday, July 27, recreation staff hosted the 4th Tuesday – Craft Day. Two seniors attended; the seniors that attended worked on crochet and needle point projects. Recreation staff is working with the seniors who are interested in attending to plan a different variety of senior programs for the fall as well as ways to market to more seniors.
- On Thursday, July 29, Beginner Archery was completed. The nine students that participated received a certificate of completion. Recreation staff has added an additional August Archery session to keep the momentum going for the students that have chosen to participate.
- Recreation staff is working on planning fall activities and classes.
- Recreation staff is preparing for the Fall Harvest Fest. Staff is reviewing bids and working on vendor applications.
- Recreation staff created an August social media advertising timeline which has been shared with the Communications Manager.
- The Park Superintendents had the 6 ft. privacy fence and the chain link fence on the north end of the water treatment plant removed at Sherley Heritage Park. An 8 ft. cedar fence was installed.
- The Park Superintendents worked with Oncor and Gexa energy to get power to the new restroom/pavilion at Johnson Park. Construction for the handicap parking and

flatwork has begun. Paperwork for the new parking lot has wrapped up and the contractor will begin this Wednesday.

- Code Compliance responded to 46 new cases and 25 re-inspections. The Office closed 19 cases.
- Mosquito Surveillance began last Monday and the trap locations will be periodically rotating to determine where the highest population of mosquitoes are in the City limits.

High Performing, Professional City

- During this past week, patrol officers responded to 235 calls for service and conducted 108 traffic stops. Officers made five misdemeanor arrests and one felony arrest. They also investigated three major accidents and five minors.
- The Criminal Investigations Division filed nine misdemeanor cases and three felony cases with the Collin County District Attorney's Office. Additionally, detectives completed four grand jury referrals and continued investigations on previously reported crimes.
- The Police Department began a Special Traffic Enforcement Program this week in an attempt to curb the number of motor vehicle accidents in the City.
- The Fire Operations Division responded to 46 calls for service from July 24 - July 30. We gave two mutual aid responses and received 1 mutual aid response.
- Fire Prevention Captain Dockray completed 11 fire inspections, two plan reviews, and attended the Municipal Complex construction meeting.
- Several members of the department traveled to College Station for a week to complete TEEEX (Texas Engineering Extension Service) special training.
- The Communications Manager completed the City Council photo shoot last week.
- The City has begun its water conservation campaign — weekly posts will go out concerning how to conserve water.
- The Communications Manager selected a vendor for website accessibility, usability, and SEO improvement.
- The Human Resource Department completed Laserfiche training to improve the Human Resource Departments electronic filing process.
- The Human Resource Department participated in a two-day virtual annual conference for the Texas Municipal Retirement System.
- The IT Department will be visiting the City of Friso this week to see a demo of their Fire Station's bump out system.
- The IT Department installed an additional network equipment at the INC Cube to address employee needs.
