**AGENDA SUBJECT:** Authorization to solicit bids for the 2011 Street Improvement Program.

**SUMMARY:** Staff is requesting that the City Council authorize the solicitation of competitive bids for the 2011 Street Improvement Program. This year's program includes the reconstruction of 5<sup>th</sup> Street from Sherely Ave. to Wortham Street as the primary project; and the reconstruction of Wortham Street as an alternate project depending on the availability of funds. Attached is an estimate of probably cost from the design engineer.

**RECOMMENDATION:** Staff recommends approval of this request.

**AGENDA SUBJECT:** Second public hearing regarding a Resolution regarding need to continue in effect current curfew for minors.

**SUMMARY:** Every three (3) years, the Ordinance that established a Youth Curfew must be reviewed.

The Youth Curfew Ordinance provides our community and police officers a valuable tool to help prevent juvenile crime and curtail criminal activity. Persons of juvenile age (under 17) are prohibited from being out without parental supervision after 11 pm on school nights and midnight on all other nights. Those persons that appear to be under the age of 17 out and about during curfew hours can be stopped by officers and an inquiry made as to what they are doing and whether their parents know where they are.

31 warnings/citations have been written during the current duration of the ordinance. The parent was unaware that their child was out during many of these contacts.

**AGENDA SUBJECT:** (a) Public Hearing

To consider public comment on a request by Aaron Towner, representing Anna Commercial Partners, LLC, owner of property, requesting an amendment to the existing Planned Development zoning (PD 367-2008) on the subject tract for Planned Development zoning to specifically allow the operation of a major automobile repair and service business with no outside storage on the tract as a permitted use. The tract is currently zoned as Planned Development zoning with General Commercial (C2) uses with restrictions on the subject tract. The property is generally located south of West White Street and west of Hawthorne Road. (Maurice Schwanke)

This requested zoning is a revision to the existing Planned Development that covers this tract. The tract is adjacent to Warrior Tire now under construction to the west and Advantage Storage to the south. A minor automobile repair facility would be allowed in this area; however, the proponent also wants to include some elements under the major automobile repair definition. This tract is ideal for this type of use because of the existing buffering from surrounding residential properties if certain design elements are addressed. The attached ordinance and site plan/landscape plan put in place those elements which address the staffs concerns. With the proposed layout and ordinance constraints no significant impact is anticipated on the nearby neighborhood. The Pit Stop which currently exists to the east approximate one mile will be replaced by this location.

(b) Consider/Discuss/Act on recommendation regarding an ordinance amending the City's comprehensive plan, zoning map and zoning ordinance and changing the zoning of certain property. The tract is currently zoned as Planned Development zoning with General Commercial (C2) uses with restrictions on the subject tract. The property is generally located south of West White Street and west of Hawthorne Road. (Maurice Schwanke)

**PLANNING AND ZONING ACTION:** The Planning and Zoning Commission recommended approval of the proposed ordinance at their meeting on May 2, 2011 meeting. The vote was unanimous.

**RECOMMENDED ACTION:** Approval of Ordinance.

(a) To consider public comment on a request by Danielle Dorman Chapa, representing Marty and Valerie Arms, owner of property, to change zoning of property from Single Family Residential (SF1) to Restricted Commercial (C1) with a Specific Use Permit to allow the construction and operation of a daycare center on a portion of the property. The property is generally located east of Interurban Street and south of West White Street and generally known as 811 S. Interurban St. (Maurice Schwanke)

Ms. Danielle Dorman Chapa, owner of Mudpies & Lullabies Preschool in Melissa is currently seeking to commercially zone a one acre tract with the intent to build a daycare center "Mudpies & Lullabies Daycare" located in Anna. The site is located adjacent to a facility owned by the Anna Independent School District that is used for athletic and FFA activities to the south. The property to the north which has a single family home on it has joined in on this case. Further to the north is the Germanic Insurance building where the Greater Anna Chamber of Commerce office exists. According to the Adopted Comprehensive Plan this area is slated for commercial development. As such this use is consistent with the Plan. Under the City Code a daycare facility also requires a Specific Use Permit, which has been submitted as part of this application. According to the proponent 60 children that attend the Melissa facility live in Anna.

(b) Consider/Discuss/Act on recommendation regarding an ordinance to change zoning of property from Single Family Residential (SF1) to Restricted Commercial (C1) with a Specific Use Permit to allow the construction and operation of a daycare center on a portion of the property. The property is generally located east of Interurban Street and south of West White Street and generally known as 811 S. Interurban St.  
(Maurice Schwanke)

**PLANNING AND ZONING ACTION:** The Planning and Zoning Commission recommended approval of the proposed ordinance at their meeting on May 2, 2011 meeting. The vote was unanimous.

**RECOMMENDED ACTION:** Since approval of the Site Plan at the Planning and Zoning Commission the site has been flipped to save a significant number of trees. The staff is recommending that the "C-1" zoning be approved on the entire site and a Specific Use permit with the revised site plan be approved on the tract proposed for the daycare facility.

### **AGENDA SUBJECT:**

Consider/ Discuss/Action approving a Resolution regarding approving and designating the City Manager as the authorized official of the Grant Application for the Active Shooter Response Project to the Office of the Governor, Criminal Justice Division.

### **SUMMARY:**

The Police Department recently submitted an application for a federally funded grant through the Office of the Governor. The grant, totaling \$78,815.39, will enable the police department to purchase equipment necessary to quickly and safely respond to active shooter incidents. Each patrol unit will be equipped with active shooter response kits, including Level IIIA ballistic shields, Level IIIA ballistic helmets, Level IIIA ballistic leg armor, gas masks, and face shields. In addition, this grant will enable the police department to purchase a virtual training solution, which will provide reality-based training for a multitude of situations, including shoot situations, family violence, and other volatile incidents. The grant also includes \$2,500.00 for training.

The resolution authorizes the City Manager to act as the authorized official and ensures the funds are used appropriately.

### **RECOMMENDATION:**

I recommend the city council approve the resolution.

**AGENDA SUBJECT:** Consider/Discuss/Action regarding a Resolution approving an Operations Agreement with the South Grayson Water Supply Corporation.

**SUMMARY:** In 2006, the City of Anna purchased a large portion of the South Grayson Water Supply Corporation system that was located in the Anna ETJ. In order to obtain approval of the purchase from the Texas Commission on Environmental Quality (TCEQ), the final agreement excluded certain water customers that are within South Grayson's CCN (service area) and that are outside the City's ETJ. As a result of the sale about 20 water customers located south of the Anna/Melissa ETJ boundary were cut-off from the remainder of the South Grayson water system. In order to continue to serve these customers, South Grayson buys water from the City of Anna at a wholesale rate and then charges these customers the normal South Grayson water rate.

Because these customers are located so far away from the remainder of the South Grayson system, South Grayson Water Supply Corporation has requested that the City of Anna enter into an Operations Agreement whereby we would operate the portion of their system that supports these 20 customers on behalf of South Grayson. As an operator, we would bill these customers on behalf of South Grayson but keep the revenue collected. We would also be responsible for maintaining the infrastructure that serves the new customers.

The Agreement requires South Grayson to amend their water rates for these customers so that they are equal to 1.25 times the rate charged to City of Anna customers that live inside the city limits (the same rate paid by other City of Anna customers who live outside the city limits). The term of the Agreement is for ten years and can be cancelled by either party with 90 days written notice.

**RECOMMENDATION:** Taking over the operation of this system will result in an estimated \$10,000 annual increase in revenue to the City's utility fund. Staff recommends approval of this Agreement

Consider/Discuss/Action adopting an Ordinance regarding Protection of Attorney Client Privilege. (Clark McCoy)

**SUMMARY:**

The City will often be in the position of receiving privileged and confidential information from its city attorney or other designated attorneys representing the City, and many of such communications are considered confidential under State law based on attorney/client privilege. Based on some recent opinions of the Texas Attorney General, there is a general concern among many municipal attorneys that there could be instances in which the attorney/client privilege could be inadvertently or unintentionally waived. This ordinance is aimed at preventing such as waiver by requiring at least a majority of the City Council to vote to waive a privilege held by the City. This is a preventative measure and is not connected with any current City business or City-related situation or issue.

**RECOMMENDED ACTION:**

Approval of the proposed ordinance.

**AGENDA SUBJECT:** Consider/Discuss/Action on a Resolution submitting nominees to serve on the Board of Directors of the North Texas Groundwater Conservation District.

**SUMMARY:** The North Texas Ground Water Conservation District is governed by a nine (9) member board of directors appointed by the County Commissioners from Collin, Denton, and Cook Counties. Each County appoints three directors. The State law requires one director to be selected from a slate of not more than three nominees submitted by the largest municipal groundwater producer in each county. The City of Anna is the largest municipal groundwater producer in Collin County.

In 2009 the Anna City Council nominated and the Collin County Commissioners Court appointed me to serve a two year term on the board which expires on June 1. In accordance with State law, the County has requested that the City of Anna submit a slate of three names in priority order to serve on the board of directors.

**RECOMMENDATION:** The ground water district board will have the power to regulate ground water production within the three counties covered by the district. Operating costs for the district will be assessed to the ground water producers of which Anna is one of the largest. Those costs will result in an added charge to all City of Anna utility customers. Because of the potential operational and financial impact on the City, Staff recommends that the City Manager or a member of the City Council serve as the City's representative on the board of directors as they would be in the best position to evaluate the impact that actions of the board will have on our utility operations. I am willing to serve an additional term at the City Council discretion.

**AGENDA SUBJECT:** Consider/Discuss/Action regarding a Resolution authorizing the City Manager to execute an agreement for the production of a fireworks display.

**SUMMARY:** Last year the City Council authorized an agreement with the Greater Anna Chamber of Commerce for the production of a Fourth-of-July fireworks show. The Chamber informed us earlier this spring that they would not be producing a fireworks show this year. We have spoken to three different fireworks production companies and each one informed us that they are booked on July 4<sup>th</sup>. We have identified a company that can produce a shown on July 3<sup>rd</sup> for the City. The attached proposal from Illumination Fireworks LLC includes production of a fireworks show on the evening of July 3<sup>rd</sup> for \$10,000.

The current fiscal year budget includes \$2000 in the City Council budget for the production of a fireworks display. The CDC and EDC CAO has indicated that each corporation could contribute \$4000 for a total of \$10,000.

**RECOMMENDATION:** If the City Council is agreeable to producing a community fireworks display on July 3<sup>rd</sup>, Staff recommends approval of the attached Resolution.
