When looking for documents online at www.annatexas.gov please click on Meetings icon then on the Archived Agendas and Minutes link located at the top of the page.

Your screen will look like the following:

Instructions for Searching Public Documents

You will click on the Public Documents folder , which will open the different Council and Board and Commission Folders.

You can either look through each folder or use the Search Function located at the top of the page.

If you want to search all folders , ensure you are on the screen that shows all folders.

Instructions for Searching Public Documents

If you are wanting a refined search within a folder, ensure you click on the folder you want to search and then type key words into the search function . It will only search the folders in this location.
